Dear Mr. Castore:

On behalf of the St. Demetrios parish and the **2011 Fort Lauderdale Greek Festival**, I wish to thank you and your company for the donation of your transportation services. Without the involvement of community-spirited companies such as yours, we would not be able to successfully conduct this event every year.

The Fort Lauderdale Greek Festival relies on donations and in-kind contributions to help meet our goal of raising funds for our church's ministries. We have called out to area companies such as yours for those donations. Your time and energy in transporting over 50 palm trees to beautify our event was critical to the appearance of the Festival. You also were prompt in picking up the trees for return to the nursery. Your company was responsive, on-time and kept your commitment despite your busy schedule. We are grateful and blessed to have you as a partner.

I wish you the best in your business endeavors and look forward to working with you again. I will be glad to provide a personal reference relative to your services.

Sincerely,

James Carras
Chairman
