Dear Anthony:

On behalf of the City of Long Beach I would like to take this opportunity to thank you for your gracious donation of providing 2 trucks, 53' trailer and warehouse space during the Hurricane Sandy relief effort for the City of Long Beach. Your time and generosity during our time of need is sincerely appreciated by the City and its residents.

October 29th will not soon be a date that is forgotten in the mind of our community. It is only because of people like yourself that we as a City are able to pick our heads up and persevere forward. The City will rebuild and once again become the beautiful City by the Sea that it once was.

Sincerely,

Jack Schnirman
City Manager
